FairField Fish & Chips has owned and operated family-run fish and chips restaurants for over 40 years. Now with 7 locations to serve you on Vancouver Island and the Vancouver Lower Mainland, the finest fish and chips are just a car ride away.

And you will be glad you made the trip. Our fish and chips are made to order, from only the best halibut and seafood available on the market. Unlike other restaurants that serve a pre-breaded, frozen product, our customers can watch their fresh piece of fish be cut, cooked and served in front of them.

No matter what your budget or family size, we have the perfect meal for you. For a light snack or as an addition to a meal, enjoy our fresh fish by the piece. Or to suit each individual's taste, try one of our 1, 2 or 3 piece dinners. And for the hungry family or large gatherings, enjoy one of our family packs, we have a meal option to fit everyone.
